# DESIGNING A LIFESTYLE

**THE MAJOR FOOD GROUP ETHOS**

Waterfront living imagined, designed, programmed, and fully serviced by the team that has gained acclaim worldwide since opening their first of 40+ restaurants in New York City in 2009.

The MFG philosophy of boundless opulence goes beyond food and beverage experiences; it extends to waterfront access, beautifully appointed gyms and spas, no-detail-overlooked chef's kitchens at home, and a building full of Miami's most discerning patrons.

# FIRST CLASS DAYS, EPICUREAN EVENINGS & DIONYSIAN NIGHTS

## LIFESTYLE AND LUXURY BY MAJOR FOOD GROUP

Taking care of you from when you wake until you go to sleep. Where abundance and excess meet taste and discretion.

Now imagine the MFG ethos touching every part of your day: Wake up looking over the Venetian Islands, or arrive home to Villa Miami by helicopter; spend the day unwinding in the building's Mediterranean spa or skimming across the bay by boat, or both; stop by a wine tasting in the members' lounge, and revel late into the night at the city's best new restaurant, which just happens to be downstairs. A night out with MFG is like no other, and a life designed by MFG is like nothing else—even in Miami.

## MFG RESTAURANT ON SITE

Downstairs: the most seductive new location in Miami's dining scene. Two floors of dining rooms, bar seats, and private lounge space with equal parts refinement and Dionysian ambiance.

## WATERSIDE GARDENS

Designed by the landscape architects at Enzo Enea, Villa Miami's grounds are dotted with a series of private gardens, filled with native flowering trees and meant for moments of contemplation.

## SCREENING ROOM

Like a personalized movie theater, an on-site screening room for private events, viewing parties, and special occasions.

## EXPERT STAFF

The back of house team assures that deliveries are seamless, the pantry is always stocked, and fresh flowers await your arrival. Downstairs, a knowledgeable concierge fields any request from hunting down those sold out tickets, to chartering a boat for the day.

## PRIVATE LOUNGES

Expansive common spaces with desks and bookable conference rooms (all in proximity to the building's coffee and juice bar), plus a stately members lounge, available exclusively to residents of Villa Miami.

## FAMILY LOUNGE

A private residents lounge, but for our youngest residents—a zone just for the kids and teenagers to play games and make new friends.

THE TOWER

# HEAD IN THE SKY WITH A HAND IN THE WATER

## LIMITLESS POSSIBILITIES, BOUNDLESS OPULENCE

This is an entirely new proposal for how to live in Miami. These aren't just views of the water. This is an open window with a breeze coming off the bay; dinner on the veranda with the sunset refracted in the water; a buzzing city waiting beyond.

This is a place telegraphing the old tradition of villa living in Lake Como and Provence—steeped in romance and warmth; meant to be lived in. A place encompassing the best of the water and life beyond.

# ELEVATED IN EVERY SENSE: HOMES IN THE SKY, NESTLED BETWEEN LAND, AIR & SEA

A gemstone on the water's edge, Villa Miami proposes something opulent but intimate — and entirely new for Miami's skyline. ODP Architects designed something distinct from the soaring condos that already populate the cityscape: A structure that's instantly a landmark. Waterfront homes in the sky, finished in bronze — anchored on top by a helicopter pad and below by a dock. Rising up from the water's edge and at home in the sky, this isn't just the city's most iconic building, it's an invitation to indulge in the best of Miami.

## INTERIOR DESIGN CHARLES & CO

The interiors throughout Villa are by Vicky Charles of New York design studio Charles & Co. Lauded by the design community as a top talent worldwide, she is well known for her hospitality work and her roster of private clients including George & Amal Clooney, David Beckham and Harry Styles.

With the Villa residences, Vicky brings a uniquely European sensibility to a city that's been defined for years by white marble and chrome. Villa is a departure – it's about romance, noble materials and warmth.

### VICKY CHARLES

*Known for her work with Soho House, Charles excels at creating warmth and a depth of detail to the spaces she creates*

# AMENITIES MOOD

A lobby with a marble floor worthy of Necchi Campiglio. Elevators built out of fine old-world marble. Game rooms with mahogany parquet floors and impeccably-maintained pool tables.

A screening room with plush velvet seats and warm cinematic lighting. Not to mention the most sumptuous library, coffee bar, and members lounge imaginable.

LEVEL 01 - LOBBY LOOK & FEEL

## ARCHITECTURE

# ODP ARCHITECTS

ODP Architects is a full-service architecture and interior design firm that has built much of Miami's skyline to date. With offices in Hollywood, Florida, as well as Fort Lauderdale and Tampa, ODP is well-versed in Floridian waterfront living, and as such has designed everything from innovative, soaring towers like One Bayfront Plaza II in Miami to smaller-scale modern residences across South Florida.

### **THE NEW HEART OF MIAMI**

The 1980s saw the rise of Miami Beach, filled with characters from the fashion and entertainment worlds. The aughts witnessed the birth of Miami's Art Basel as a mecca for art.

Now, the next cultural renaissance in Miami is happening in Edgewater, where a new interpretation of waterfront living is emerging, built for a certain kind of global citizen who just happens to call Miami home.

**EDGEWATER**

# MIAMI'S MOST CONNECTED NEIGHBORHOOD

Edgewater is connected to the best of Miami, situated just five blocks from the Design District and across the Venetian Causeway from Miami Beach.

Easily accessible to all the best of Miami, Edgewater represents the future of the city and the increasingly global populace of people who call it home. The arrival of Villa Miami means the next chapter of Edgewater has begun.

# STROLL ALONG THE PROMENADE IN THE MORNING, DIP INTO A MUSEUM MIDDAY, SIP WINE FROM THE LOIRE VALLEY AND DINE ON PASTA ALLE VONGOLE IN THE EVENING

Accessible to some of Miami's most tempting areas, Edgewater is also in and of itself the best of contemporary Miami: on the waterfront, with sunset views of the Bay and the Venetian Islands; home to some of the city's most exciting restaurants, as well as the revitalized Margaret Pace Park and culture like the Institute of Contemporary Art Miami.

## MINUTES AWAY FROM THE DESIGN DISTRICT & THE BEST SHOPPING MIAMI HAS TO OFFER

*From pristine coast to the  
uncomparable culture, Edgewater offers  
the best of Miami in easy reach*

# A SPRAWLING SUITE OF AMENITIES, SERVICES, AND SPACES

## EACH MORE ENTICING THAN THE LAST

Villa Miami's amenities go beyond a concierge and a gym. Major Food Group designed the building's services to operate as an ecosystem of conveniences, where needs are anticipated, coffee orders are known by heart, and a pool, thermal spa, and sauna are always just downstairs.

Like a small town unto itself, the building comes with an array of spaces for every kind of gathering and convenience, while landscape architect Enzo Enea designed the grounds according to the spirit of the place—the sun, the wind, the soil, and the water nearby.
