ROVR

With over 35 years of combined experience, Miami-born and raised Oscar Rodriguez and Ricardo Vadia together make a formidable force. The two began their friendship and professional partnership while working together in the early 2000s at The Related Group, where they delivered more than 5,800 luxury condominiums, rental and affordable housing units, with a development value of more than \$1 billion. Individually, their vast experience spans a variety of development disciplines, and together, their extensive market knowledge and impeccable track record catapulted them to the top of South Florida's real estate industry. After leading their own firms separately, Rodriguez and Vadia reunited in 2015 to form ROVR Development. ROVR Development.

Your contemporary urban lifestyle awaits

Inspired by some of the world's leading hospitality properties, The District's residences have been designed by internationally renowned Sieger Suárez Architects and the award-winning Meshberg Group to create an environment of comfort and indulgence.

Modern apartments with sought-after views and exquisite finishes will delight discerning residents seeking the best that Downtown Miami has to offer.

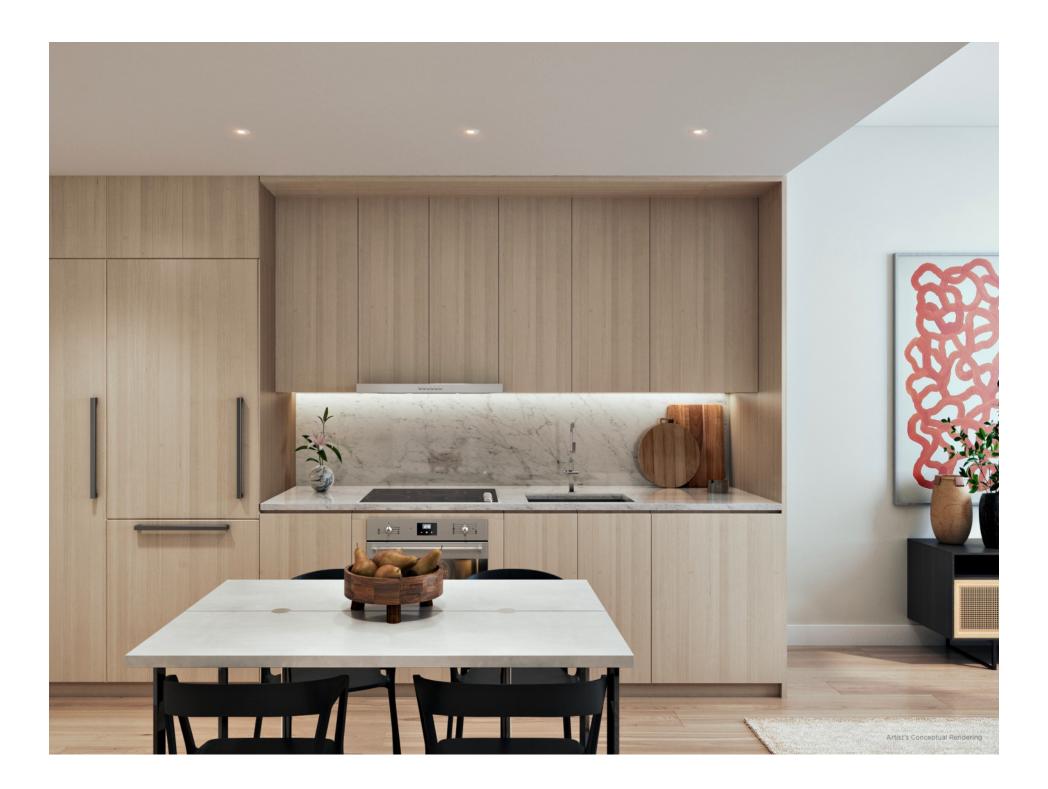

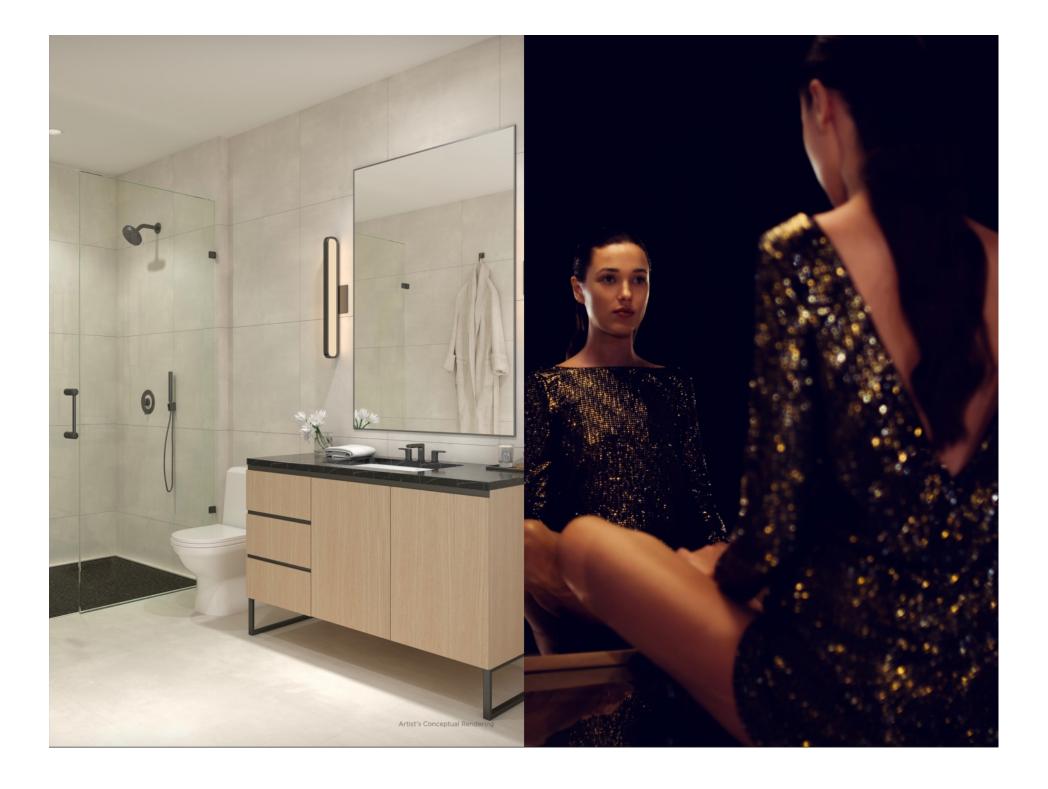

Contemporary residences featuring furnished studio, one-bedroom, and twobedroom floor plans.

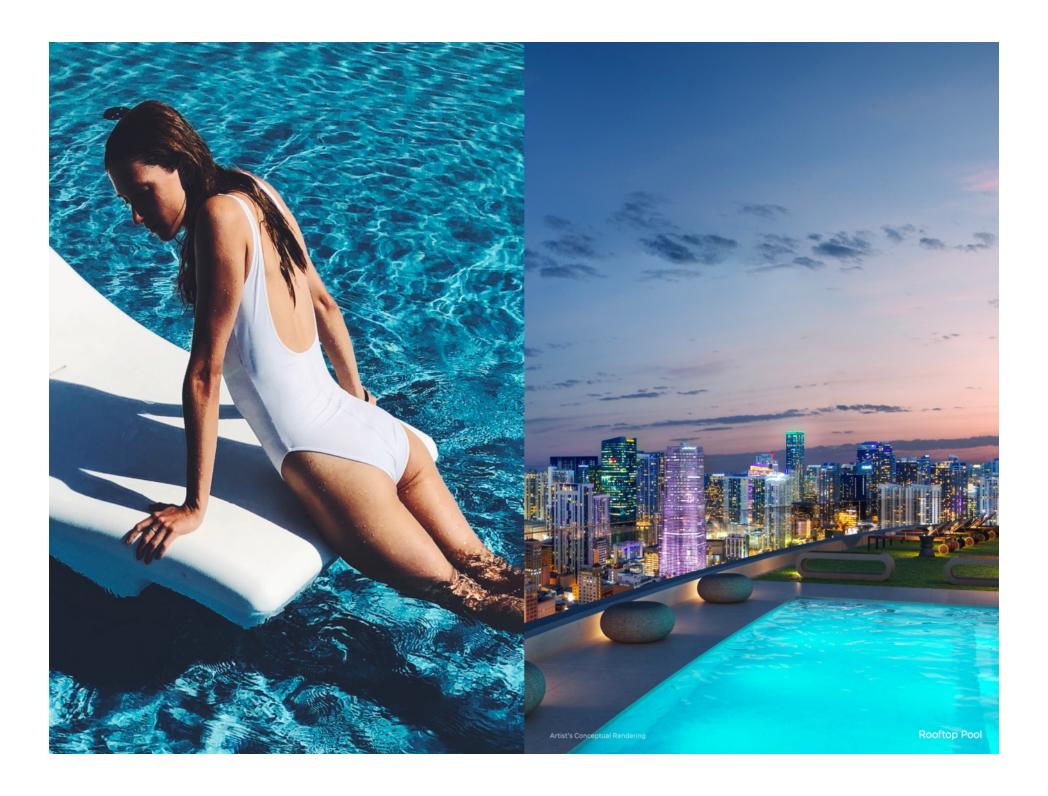

Full gourmet kitchens.
Premium Italian cabinetry.
High-end appliance packages.
Designer bathroom fixtures
and accessories.

All apartments are delivered completely furnished, enabling residents to begin living their ideal Downtown Miami life from the moment they arrive. Contemporary interiors feature warm, inviting neutral palettes highlighted by designergrade finishes.

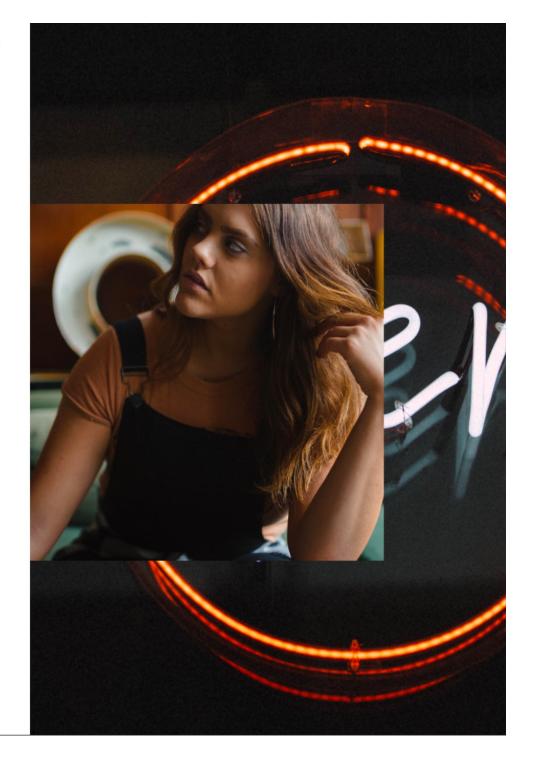

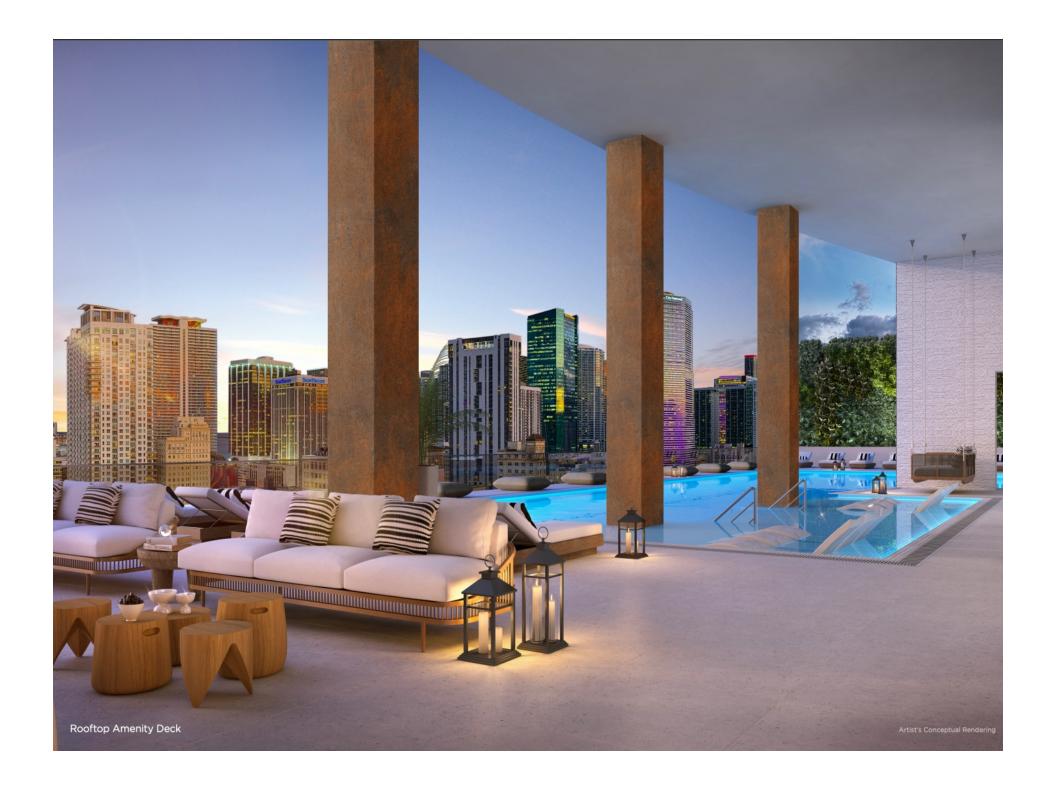

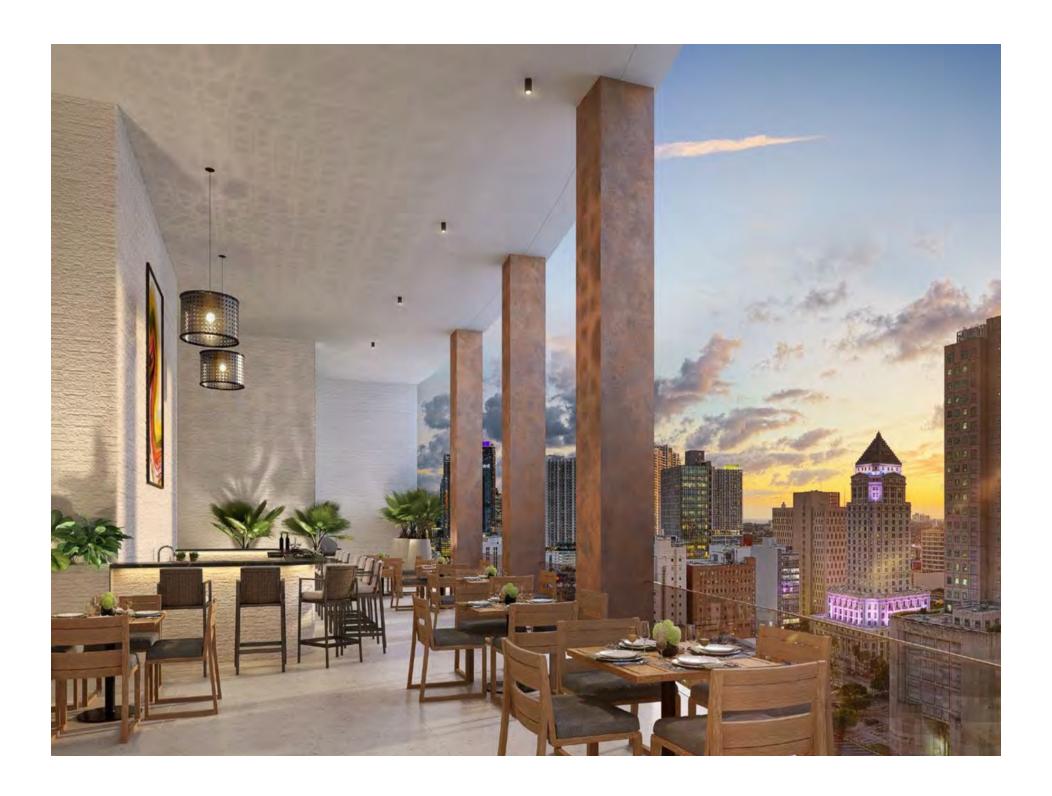

Over 25,000 square feet of amenity spaces offer opportunities to connect with neighbors, stay in shape, take advantage of co-working spaces, or relax in the sun. The District offers the ultimate option for residents with busy lives, good taste, and a love for the vibrancy of Miami.

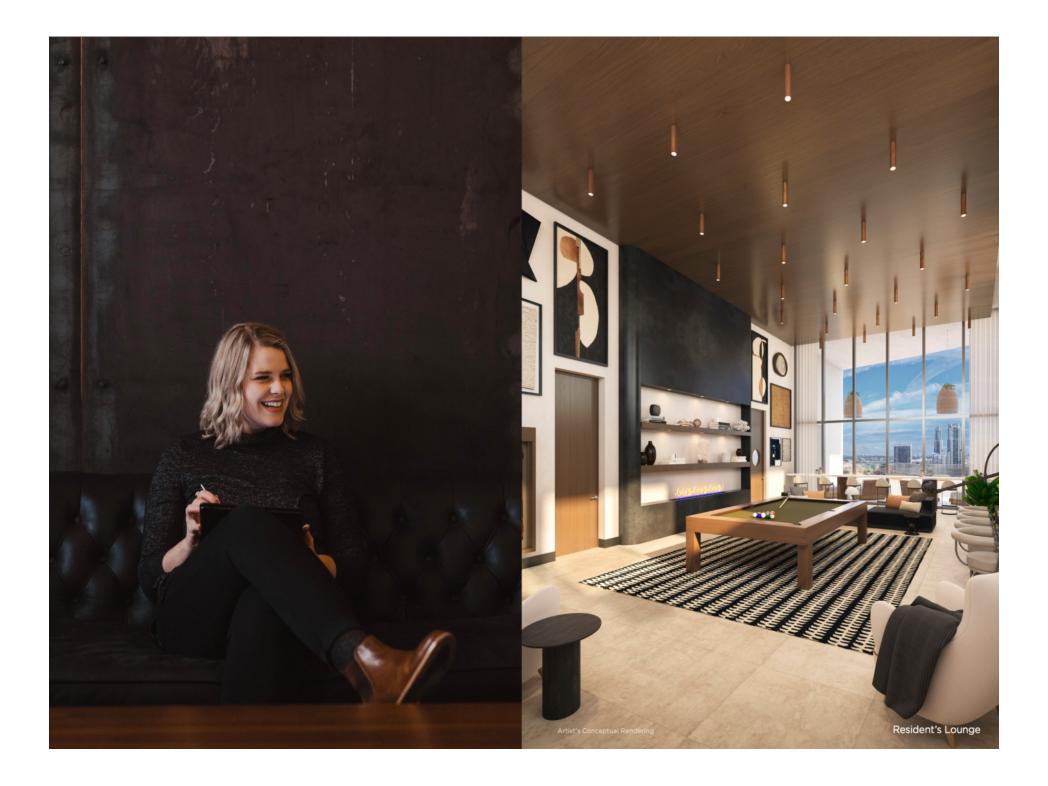

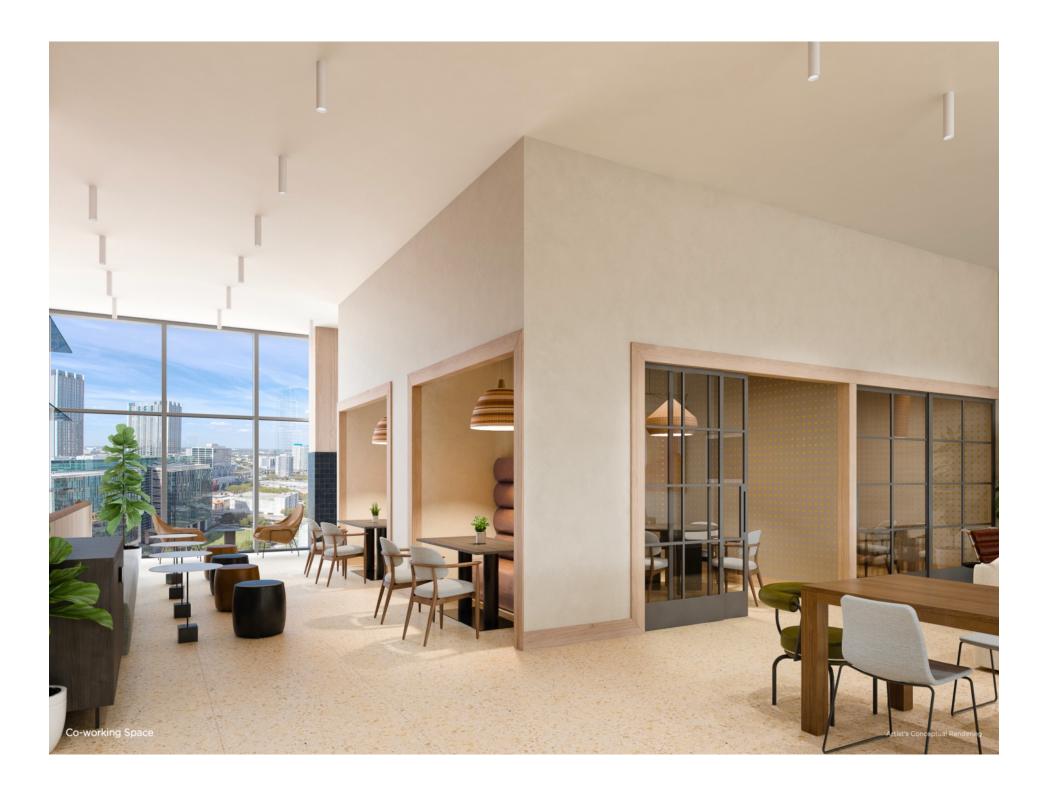

Beautifully appointed, amenity-rich, and as exciting as the Magic City.

Brightline will take you where you need to go with ease—and it's economically and environmentally friendly.

Currently under expansion and set to reopen in 2022, Brightline is actively constructing a new high-speed rail line to connect passengers from Miami, Fort Lauderdale, and West Palm Beach to Orlando. Miami's central Brightline station is just a few blocks from The District. Designed to take cars off the road and offer millions of travelers an eco-friendly way to move between the nation's most visited cities, Brightline is redefining train travel.
