The Visionary Team

DEVELOPER

The Related Group

Established in 1979, The Related Group is Florida's leading developer of sophisticated metropolitan living and one of the country's largest real estate conglomerates. Since its inception, the privately held company has built, rehabilitated and managed over 100,000 condominium, rental and commercial units. The firm is one of the largest Hispanic-owned businesses in the United States with a development portfolio in excess of \$40 billion in 40+ years.

The Related Group has earned awards and recognition throughout the United States and internationally for its visionary designs and development of luxury condominiums, market-rate rentals, mixed-use centers and affordable properties – often in emerging neighborhoods that impact the lives of all demographics. The Related Group has redefined real estate by diversifying both its products and buyers, expanding internationally while also sponsoring public art installations that enhance cities' global culture and streetscapes.

TIME Magazine named Founder, Chairman and CEO of The Related Group, Jorge M. Pérez, one of the top 25 most influential Hispanics in the United States. Currently, The Related Group has over 70 projects in varying phases of development. In addition, Pérez and The Related Group boast one of the most extensive, private international contemporary art collections in the world, one in which each piece is carefully selected by our full-time curators in order to achieve the perfect balance of nature, art and design.

DEVELOPER

Dezer Development

Dezer Development was founded in 1970 by creative and innovative real estate visionary, Michael Dezer. With the involvement of his son, Gil Dezer, President of Dezer Development, the company has grown to encompass unique and strategic holdings in New York, Florida, and Las Vegas over the past 45 years. Today, with just over 27 oceanfront Floridian acres, Dezer Development has arguably one of the largest holdings of beachfront property owned and developable in the state. Dezer Development's branded real estate portfolio includes Porsche Design Tower, and Residences by Armani/Casa and now, Bentley Residences. Generating an unprecedented response from a broad range of local, national, and international buyers, the prolific developer has successfully sold over 2,700 units and generated over \$3.6 billion in sales.

ARCHITECT

Arquitectonica

Arquitectonica is an international architecture, landscape architecture, interior design and urban planning corporation headquartered in Miami, Florida's Coconut Grove neighborhood. Arquitectonica began in 1977 as an experimental studio founded by Peruvian architect Bernardo Fort-Brescia, Laurinda Hope Spear, Andrés Duany, Elizabeth PlaterZyberk and Hervin Romney. Today, the firm is still led by Bernardo Fort-Brescia and Laurinda Hope Spear, and has designed such famous buildings as the Banco de Crédito Headquarters, in Lima, Peru, Atlantis Condominium in Miami, The Pink House in Miami, the American Airlines Arena in Miami and the Westin Hotel and entertainment complex in New York, amongst many others.
