Founder and Design Director Alessandro Munge and his international team of over sixty continue to defy conventional design norms, resulting in awe-inspiring spaces that transcend expectation.

With global operations branching across North America, Asia-Pacific and the Middle East, Studio Munge brings to life award-winning luxury residential and hospitality projects in partnership with world-renowned architects, visionary global developers and hotel operators.

Recent Studio Munge appointments include the Park Hyatt Hotel Toronto, the first integrated NOBU hotel, residences and restaurant in Toronto's Entertainment District, Pendry hotels in Chicago, Newport Beach and Tampa, a Tribute hotel in New York City, Canada's first Curio Collection and Canopy by Hilton, an MGM Urban Resort and a Shangri-La hotel in China as well as several exclusive residential properties around the world.

ARCHITECTURE BY BERNARDO FORT-BRESCIA OF ARQUITECTONICA

From its inception in 1977, the firm received instant attention and acclaim from critics and the public alike, due to a bold modernism that was immediately identified with a renaissance in Miami's urban landscape. Led by Principals Bernardo Fort-Brescia and Laurinda Spear, Arquitectonica continues to push the limits of design with its innovative use of materials, geometry, pattern and color to introduce a new brand of humanistic modern design to the world

Arquitectonica had made its mark around the world with projects in 59 countries on five continents.
