

## THE BUILDING

- A limited collection of 52 impeccably designed private bayfront residences with a perfectly balanced amenity program of over 9,000 square feet, overlooking Biscayne Bay in Miami.
- 10-story glass-clad architectural gem designed by the internationally acclaimed Arquitectonica.
- 450 linear feet of water frontage including 290 degrees of Miami shoreline views with curved glass integrated into the window wall system, spanning from Keystone Islands to the prestigious Bal Harbour and Indian Creek, to the iconic Downtown Miami skyline.
- · Sustainable Florida green building design certified.

## THE RESIDENCES

- Gracious two- to four-bedroom open floor plans are thoughtfully oriented to provide privacy while maximizing views from every angle.
- Floor-to-ceiling windows, filtering light throughout while framing unparalleled panoramic views.
- Terraces at least 10' deep offer a seamless indoor-outdoor lifestyle ideal for waterfront dining and lounging in the privacy of one's home.
- Oversized primary suites on curved window walls, complete with en-suite reading lounges and direct terrace access in most residences, complemented by oversized bathrooms and dressing rooms.
- Elegantly designed oak cabinetry with quartz countertops are harmoniously paired in exquisite kitchens and bathrooms, while impeccable details at every touchpoint illustrate no detail spared.
- European designed kitchens with upper cabinets extending to the ceiling, including integrated under-cabinet LED lighting, quartz countertops, and large format porcelain backsplash.
- Primary suite bathrooms feature quartz countertops, premium Italian porcelain flooring, and a specialty mirror with integrated lighting over the European designed vanity with two sinks. A graciously sized shower with bench is paired with an oversized free-standing tub with Rubinet polished chrome finish. Each primary suite bathroom is equipped with a Toto Neorest dual flush toilet.
- Exquisitely curated design options include wood or porcelain flooring throughout, light or dark kitchen finishes, and an optional upgrade to Rubinet bronze finish.

### THE DEVELOPMENT TEAM

#### KOLTER

#### CO-DEVELOPER

The Kolter Group is a diversified real estate development and investment firm with close to 30 years of proven expertise in all major real estate asset classes and all stages of the development cycle. The company's portfolio includes award-winning master-planned communities, luxury high-rise condominiums, multi-family apartments, and branded hotels, with an expected value totaling more than \$25 billion. The firm's strategic mindset is to leverage their strengths in complementary business verticals to drive an entrepreneurial culture, adapt to change, and choose investments on a selective basis.

For more than two decades, BH Group has been transforming the real estate market in South Florida and beyond with a primary focus centered on luxury residential properties, prime land holdings, office spaces, and mixed-use assets strategically positioned in prime locations. By targeting large-scale, value-adding prospects within specialized markets, the firm mitigates risk exposure while maximizing returns. BH Group has forged partnerships with leading real estate firms in the United States, resulting in the successful completion of over 1,100 luxury residential units, with an additional 10,000 units in progress, in collaboration with esteemed partners.

### **ARQUITECTONICA**

#### **ARCHITECT**

With offices in Miami, New York, Los Angeles, Palm Beach, Paris, Dubai, Hong Kong, Shanghai, Manila, Lima, and Sao Paulo, Arquitectonica is a major presence on the international stage of architecture. From its inception in 1977, the firm received almost instant attention and acclaim from critics and the public alike due to a bold modernism that was immediately identified with a renaissance in Miami's urban landscape. Led by principals Bernardo Fort-Brescia and Laurinda Spear, Arquitectonica continues to push the limits of design with its innovative use of materials, geometry, pattern, and color to introduce a new brand of humanistic modern design to the world. Today, Arquitectonica's practice spans the globe with projects in 59 countries on five continents.

ORAL REPRESENTATIONS CANNOT BE RELIED UPON AS CORRECTLY STATING THE REPRESENTATIONS OF THE DEVELOPER. FOR CORRECT REPRESENTATIONS, MAKE REFERENCE TO THIS BROCHURE AND TO THE DOCUMENTS REQUIRED BY SECTION 718.503, FLORIDA STATUTES, TO BE FURNISHED BY A DEVELOPER TO A BUYER OR LESSEE. These materials are not intended to be an offer to sell, or solicitation to buy a unit in the condominium. Such an offering shall only be made pursuant to the prospectus (offering circular) for the condominium and no statements should be relied upon unless made in the prospectus or in the applicable purchase agreement. In no event shall any solicitation, offer or sale of a unit in the condominium be made in, or to residents of, any state or country in which such activity would be unlawful. Stated dimensions are measured to the interior boundaries of the interior walls. For your reference, the area of the Unit, determined in accordance with those defined unit boundaries, is set forth on Exhibit 3 to the Declaration. Note that measurements of rooms set forth on this floor plan are generally taken at the greatest points of each given room (as if the room were a perfect rectangle), without regard for any cutouts. Accordingly, the area of the actual room will typically be smaller than the product obtained by multiplying the stated length times width. All dimensions are approximate and may vary with actual construction, and all floor plans and development plans are subject to change. For New York Residents: THE COMPLETE OFFERING TERMS ARE IN A CPS-12 APPLICATION AVAILABLE FROM THE OFFEROR. FILE NO. CP24-0057.
