Our vision emerges from the idea that "the good life" is timeless. That the iconic moments of classic European lifestyle are still an inspiration for enjoying modern life. Mr. C Residences West Palm Beach takes cues from these notions, and from the character of its location, to curate a modern take on the classic idea of sophistication and style.

THE MR.C STORY

MODERN LUXURY BY THE FOURTH GENERATION OF CIPRIANIS

In 1931, on a tiny street off of Venice's magnificent Piazza San Marco, Giuseppe Cipriani opened Harry's Bar. In the decades that followed, its welcoming atmosphere and thoughtful attention to detail made this intimate space an iconic destination for stylish locals and international visitors, including a who's who of European royalty, literary figures, and global celebrities.

Today, more than 90 years later, brothers Maggio and Ignazio Cipriani, members of the fourth generation of the Cipriani family, have drawn on their rich familial history as well as their own 21st-century perspectives to create Mr. C, a luxury hospitality and residential brand for glamorous modern living.

Mr. C Hotels and Residences live up to the highest standards of design and are set in the most extraordinary global locations. Honoring the approach to service that began in their great-grandfather's single, thoughtfully conceived bar on Calle Vallaresso, the brothers have made personalized attention, offered with genuine care, an integral part of Mr. C's DNA.

The very first Cipriani-branded hotel, Hotel Cipriani on Giudecca Island in Venice, created by Giuseppe in 1958, is what inspired Maggio and Ignazio to envision Mr. C Hotels and Residences as places where guests and residents enjoy simple pleasures provided with absolute sincerity.

Mr. C's philosophy, "To love is first to serve,"
guides staff to offer flawless service
and personalized attention to residents
and their guests.

Signature Mr. C

Cuisine + Cocktails

Mr. C restaurants feature cuisine inspired by the Italian kitchen and prepared using the finest, freshest regional and imported products. The atmosphere is gracious, and the service is impeccable, allowing guests to fully enjoy the time spent with their dining companions.

From classic cocktails, including the Bellini, created by Giuseppe Cipriani in 1948 at Harry's Bar in Venice, to perfectly curated wine lists, Mr. C lounges are iconic destinations for pre-dinner cocktails or a late evening nightcap.

Elegant Service

Personalized Experiences

Whether guests are traveling for business or pleasure, or a bit of both, they find beautifully designed and equipped amenities for health, wellness, and relaxation. Fitness centers, pools, spas, terraces, and gardens cater to every mood and whim.

Service delivered with care and discretion is at the heart of Mr. C's hospitality philosophy. From a personal welcome by lobby staff and bartenders who shake the perfect cocktail, to housekeepers with an eye for detail, residents and guests are treated to every comfort.

"Mr. C represents a modern vision of Old World
simplicity and stylish European glamour."

Ignazio and Maggio Cipriani

Mr. C

Mr. C is a hospitality and residential property brand conceptualized and founded by brothers Ignazio and Maggio Cipriani. Members of the fourth generation of the Cipriani family, internationally renowned for restaurants, innovative event spaces, nightlife, and residences, Ignazio and Maggio were uniquely qualified to conceptualize a hospitality and residential brand that would bring the best of Old World elegance and modern luxury together for today's most sophisticated clientele.

Both had experienced hospitality on an international level while working for the family business, and this greatly influenced the development and vision for the Mr. C brand. Ultimately, this defined the feel and ethos for the flagship Mr. C Beverly Hills, a relaxed ambiance in a comfortable yet elegant setting, with attentive, discreet service. This mindset is a commitment to making today's travel experience effortless through sophisticated design, Old World simplicity, and European glamour.

As young travelers commuting between Europe and the United States, the brothers found Los Angeles to be the perfect location to introduce their independent hotel brand, Mr. C. Thus, in June 2011, the first Mr. C Hotel was born in Beverly Hills, California, inaugurating a new era in timelessly elegant hospitality.

John
Portrait

In 1965, American artist John L. Roberts created a series of portraits of a woman in a white dress, standing in a field. The series was titled '15 Minutes' and was inspired by the concept of a 15-minute fame. The portraits were created in a style that combined elements of pop art and abstract art. The woman in the portraits is depicted with a stylized, almost mask-like face, and her body is composed of simple, geometric shapes. The background of the portraits is a solid color, which makes the figure stand out. The series was a major success and is now considered one of the most important works of the 1960s.
