

FRESCO

Levels: 14-39

- 3 Bedrooms
- 3.5 Baths

Interior: 2,167 sq ft
Exterior: 359 sq ft
Total: 2,526 sq ft

All dimensions are approximate. The floorplan is subject to change without notice. The seller reserves the absolute right, in their judgment and discretion, to substitute appliances, materials, fixtures and equipment of equal or greater value for those specified. These are various methods of calculating the total square footage of a condominium unit, and depending on the method of calculation, the square footage of a condominium unit may vary more than a several percent. The total condominium square footages as shown in this brochure are based on the "Structural Method" of measurement which measures the exterior perimeter of the condominium unit, and does not include interior closets and the percent of dividing walls. The method for calculating residential square footage based on measuring materials is different than the method used for calculating residential square footages in the condominium documents. Please see the Declaration of Condominium for more information. The model shown includes options and upgrades that are not a part of a base residence pricing.
