Lanai 0 square feet

Any Person who is concerned about any representations regarding this floor plan should do his/her own investigation as to the dimensions, measurements and square footages. These plans are merely approximations and may not reflect the actual as-built conditions of the Condominium. Due to the nature of the construction process, there may be variations between the actual as-built conditions and these plans. Furthermore, the developer reserves the rights to revise these plans as it determines appropriate in its discretion.
