

ARIA
RESERVE
MIAMI

VISION

A new chapter in residential sophistication. Here, the idea of a life well lived has been completely transformed so that the beauty of nature and the convenience of state-of-the-art lifestyle amenities exist in perfect balance with one another. Aria Reserve brings the tallest waterfront, residential twin towers in the United States. The iconic profile in the heart of Miami, and prestigious waterfront position on Biscayne Bay, makes Aria Reserve feel like a private estate hidden away from the rest of the world. The uniquely modern relationship between design and nature creates an atmosphere of total serenity.

THE TEAM

DEVELOPER

Since 2001 the Melo Group has been leading the way in visionary real estate development and creating South Florida's most prominent neighborhoods. Fueled by more than 50 years of international experience in the industry, and decades of development success in South Florida, one of the world's most competitive development landscapes, The Melo Group is a proven leader in the field, united around a strong family core. By concentrating on development, The Melo Group has been able to consistently deliver iconic, successful properties in every kind of market. The Melo Group was one of the first developers to put Miami's Upper East Side on the map. Since that time, they have continued to be visionaries for "what's next" in South Florida, with a strong strategic focus on innovation and properties that redefine the greater community.

ARQUITECTONICA

ARCHITECT

Based in Miami and with nine international offices, Arquitectonica is known for its bold modernism, which sparked an architectural renaissance in Miami. Founded in 1977 by principals Bernardo Fort-Brescia and Laurinda H. Spear, the company continues to push the limits of the built world, incorporating an innovative use of geometry, pattern and color to present a distinctive brand of humanistic modern design. Today the practice spans the globe, with projects in 58 countries on five continents. Arquitectonica has received hundreds of design awards for projects that include the Microsoft European Headquarters in Paris, the Bronx Museum of the Arts in New York City, the International Finance Center in Seoul, the SM Mall of Asia in Manila, the Banco Real Santander Headquarters and the WTorre Plaza in São Paulo, and the AmericanAirlines Arena in Miami.

ARQGE0

LANDSCAPE ARCHITECT

Founded in 2005 by Laurinda H. Spear, Miami-based ArquitectonicaGEO has been designing contemporary, technologically informed landscapes to meet the challenges of our changing environment. Their projects aim to address ecological objectives while adding value to a community by improving performance and livability. Their commitment to sustainable design, provides passive and active opportunities for a deeper understanding of emerging environmental issues. Since its founding, the firm has flourished under the additional leadership of Director, Margarita Blanco, LEED AP, ASLA. In 2015, ArquitectonicaGEO received the ASLA's General Design award for their work on Perez Art Museum Miami. Other projects include Brickell City Centre-East Miami Hotel, PortMiami Tunnel, and the Phillip and Patricia Frost Museum of Science.

This is not intended to be an offer to sell, or solicitation to buy, condominium units to residents of any jurisdiction where prohibited by law, and your eligibility for purchase will depend upon your state of residency. The offering is made only by the prospectus for the condominium and no statement should be relied upon if not made in the prospectus. The sketches, renderings, graphic materials, plans, specifications, terms, conditions and statements contained in this brochure are proposed only, and the Developer reserves the right to modify, revise or withdraw any or all of same in its sole discretion and without prior notice. Developer intends to develop the project in phases and no representation is made as to whether all phases of the development will be completed, and if so, in what order the phases will be developed. Accordingly, the final size of the project, including amenities, is subject to change without notice. Certain buildings and/or amenities depicted herein may never be developed. All prices are subject to change at any time and without notice, and do not include optional features or premiums for upgraded units. With respect to the square footages described herein, stated interior square footage is measured to the exterior face of exterior walls and to the centerline of interior demising walls or to the exterior face of walls adjoining corridors or other common elements or shared facilities without excluding areas that may be occupied by columns or other structural components. This method of measurement varies from, and is larger than, the dimensions that would be determined by using the description and the definition of the Unit set forth in the Declaration (which generally only includes the interior airspace between the perimeter walls and excludes structural components). For reference, the area of the unit, determined in accordance with the unit boundaries set forth in the Declaration is set forth in Exhibit "3" to the Declaration. All dimensions described herein are approximate and may vary with actual construction. Note that measurements of rooms set forth on the floor plans are generally taken at the greatest points of each given room (as if the room were a perfect rectangle), without regard for any cutouts or irregularities. Accordingly, the area of the actual room will typically be smaller than the product obtained by multiplying the stated length times width. The size and configuration of balconies and terraces varies throughout the building. The balconies described herein are among the larger balconies and is not reflective of the actual size or configuration of the balcony for each unit of this unit type. For the actual size and configuration of the balcony for your unit, see Exhibit "2" to the Declaration of Condominium. All depictions of furnishings, appliances, built-ins, counters, and other matters of detail, including, without limitation, items of finish and decoration, are conceptual only and are not necessarily included in each Unit. Consult your prospectus and Purchase Agreement. The project graphics, renderings and text provided herein are copyrighted works owned by the Developer. All rights reserved. Unauthorized reproduction, display or other dissemination of such materials is strictly prohibited and constitutes copyright infringement. This Condominium is being developed by the Developer, 24 Plaza Corp a Florida Corporation (the "Developer"), which has an affiliation with The Melo Group ("Melo"). Any and all statements, disclosures and/or representations shall be deemed made by Developer and not by Melo, Arquitectonica or Arqgeo (collectively, the "Associated Parties") and you agree to look solely to Developer (and not to the Associated Parties) with respect to any and all matter.
