ARQUITECTONICA

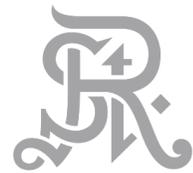

With offices in Miami, New York, Los Angeles, Paris, Hong Kong, Shanghai, Manila, Lima and Sao Paulo, Arquitectonica is a major presence on the international stage. From its inception in 1977, the firm received almost instant attention and acclaim from critics and the public alike, due to a bold modernism that was immediately identified with a renaissance in Miami's urban landscape. Led by Principals Bernardo Fort-Brescia and Laurina Spear, Arquitectonica continues to push the limits of design with the innovative use of materials, geometry, pattern and color to introduce a new brand of humanistic modern design to the world.

Arquitectonica has received hundreds of design awards and its groundbreaking work has been the subject of exhibitions at numerous museums and institutions.

Arquitectonica is known as one of the pioneers of globalization in the architecture profession.

Fortune International Group and Chateau Group recently completed the successful The Ritz-Carlton Residences, Sunny Isles Beach designed by Arquitectonica. Additionally, both developers have worked with Arquitectonica on additional projects independently.

INTERIOR DESIGN

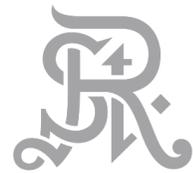

Anastassiadis

Founded in 1993, Anastassiadis is specialized both in interior design and architecture. The rich international scene of Sao Paulo, combined with a team of experienced architects, provides a unique cultural melting pot which is the trademark of Anastassiadis' work process. Constantly engaged in creating timeless projects, unique experiences, and emotions that showcase identity and purpose through a sophisticated lens.

The expertise and attention to detail, combined with an interest in art, history and anthropology, are only some of the features that make Anastassiadis stand out. A coherent design narrative shines through the accurate design, sense of place, as well as the use of sophisticated materials and handmade elements. Thanks to the constant search for new materials and innovative textures, Anastassiadis has been celebrated in Brazil and worldwide for the past two decades. As well as interiors and architecture, Anastassiadis has developed a number of bespoke design products, including three authorial furniture collections.

Throughout the years, Anastassiadis has developed and completed globally recognized projects that stood out for the impeccable attention in architecture and interior design for a roster of brands. Projects by Anastassiadis can be seen in various locations around the globe including Brazil, in the United States, Greece, France, Spain, Portugal, and the Caribbean. Anastassiadis recently completed work in the Hotel Du-Cap Eden Roc in France.

THE ORIGINAL BLOODY MARY

In 1934, famed barman Fernand Petiot perfected the recipe for a vodka-and-tomato juice cocktail, known as the Bloody Mary at The St. Regis New York's King Cole Bar. Originally christened the "Bloody Mary", the cocktail was renamed the "Red Snapper" so as not to offend the hotel's refined clientele. After more than 80 years, the iconic Bloody Mary remains the signature cocktail of the St. Regis.
