# THE ART OF LIVING, POWERED BY DIESEL

# WELCOME TO WYNWOOD

Steps away from the exceptional and daringly beyond the norm. Wynwood is the future of Miami, pulsing with ever changing authentic experiences in art, gastronomy, nightlife and fashion. Creatives of every genre gravitate to this cultural hub where a thriving urban playground is at your front door.

Attracting talent and growth like never before, the energy in Wynwood is electric. This is why major firms such as Spotify and Live Nation have chosen this dynamic destination for their global headquarters along with hosting Bitcoin 2021, the world's largest cryptocurrency conference and countless annual Art Basel activations. At the forefront of change, Wynwood is leading Miami's tech boom as an incubator and catalyst for a better tomorrow.

That kind of energy cannot be denied, and its inspiration is present in every aspect of Diesel Wynwood

## AT THE CROSSROADS OF INNOVATION

A beacon for innovation, Wynwood's vibrant palette is a magnet for those who think beyond. The Blackstone Group, Tricera Capital and RedSky Capital, have joined the ranks of artists and designers in calling Wynwood home. This is the ultimate live, work, play hub embracing today's modern lifestyles.

## AUTHENTIC ECLECTIC

The unexpected atmosphere of Wynwood isn't by design. It's not a neighborhood that was master planned by a developer or built as a trendy shopping district. The energy here is rooted in the people and places that live and breathe doing things their own way. Always true to itself, and always changing to be something more, Wynwood takes pride in moving to its own beat.

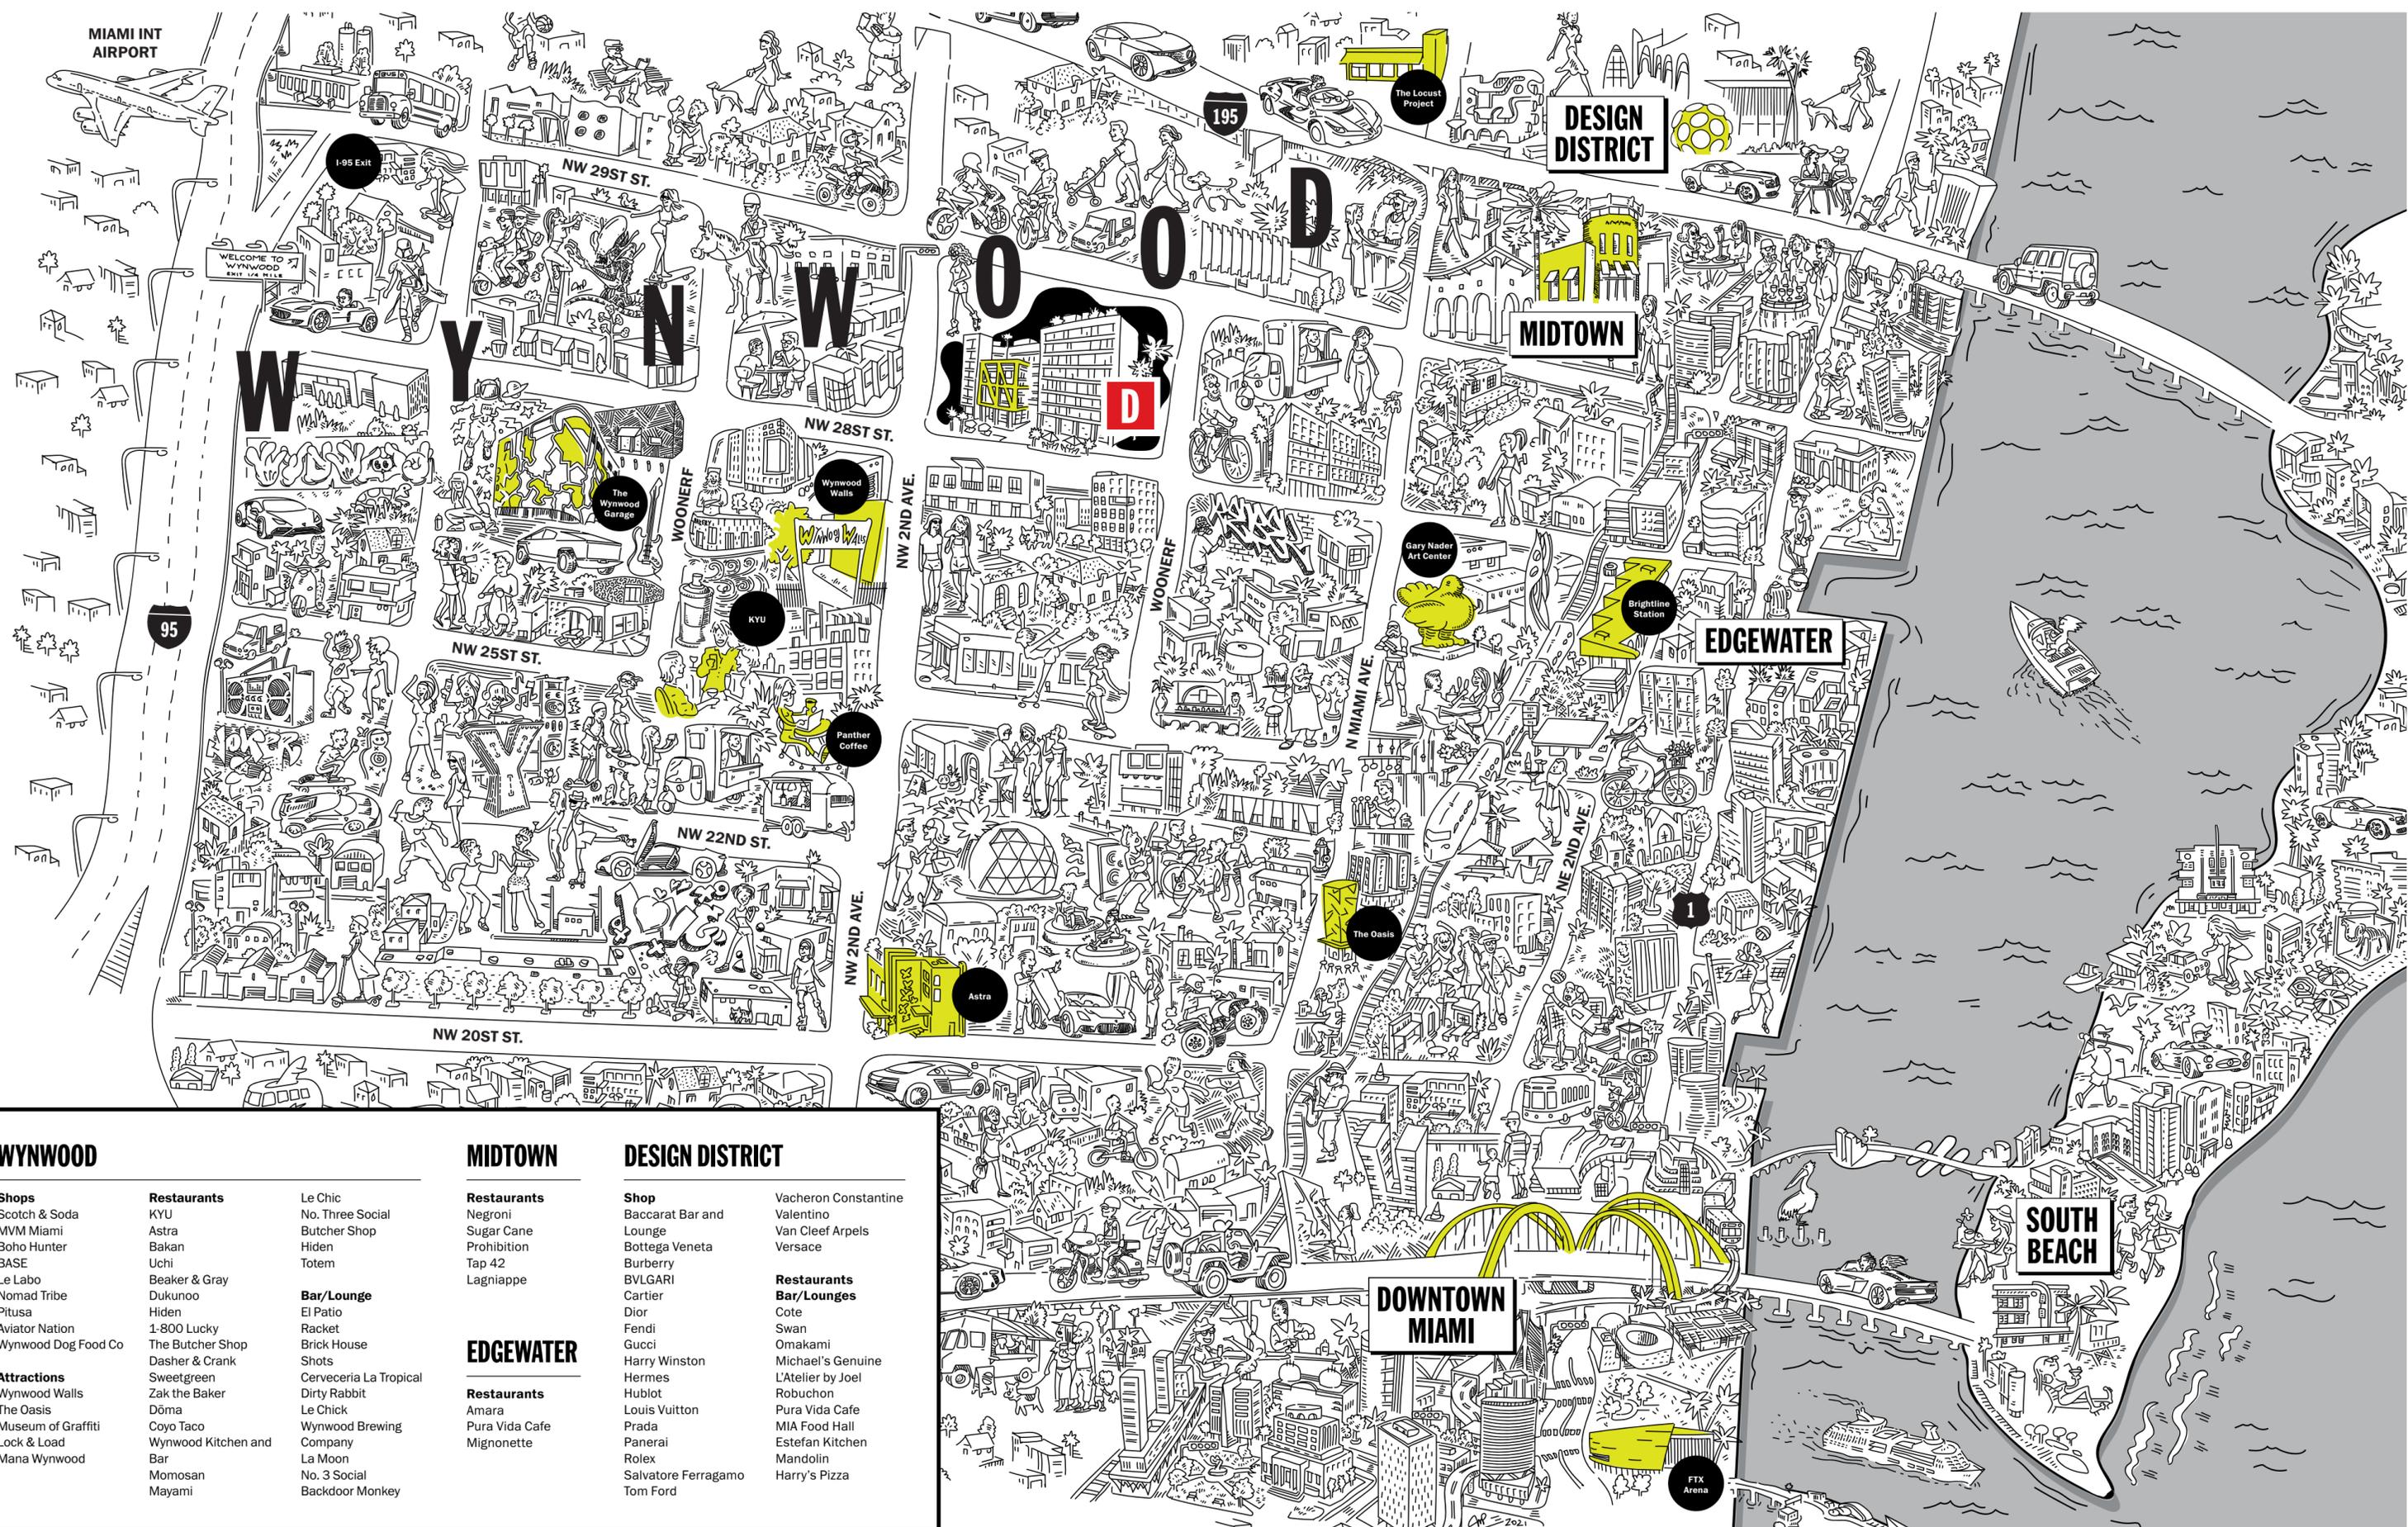

## WELL CONNECTED

Centrally located minutes away from Miami Beach, Biscayne Bay, The Design District, Downtown and Brickell; Wynwood is at the heart of Miami's urban core. A pedestrian and bike friendly locale with expanding connectivity including planned direct access to I-95 and a transit station for the northeast commuter rail, both specifically developed for Wynwood.

## WYNWOOD THE NEW GLOBAL DESTINATION

**TAKING THE 15-MINUTE CONCEPT TO THE NEXT LEVEL, WYNWOOD IS A WORLD-CLASS ENCLAVE WITH A VIBRANT 5 MINUTE PEDESTRIAN CORE. A PREMIER DESTINATION FOR WORLD-CLASS DINING, GLOBAL ENTERTAINMENT, INTERNATIONAL EVENTS, ART, FASHION, DESIGN, INNOVATION AND CREATIVE ENTERPRISE. WYNWOOD IS URBAN LIVING REDEFINED.**

# AN ADDRESS WITH SOMETHING TO SAY

## CUTTING-EDGE ARCHITECTURE

From the very first glimpse, it's clear Diesel Wynwood is much more than a residential building. It's the herald of a new era. The mid-rise 8-floor design and open courtyard keeps it connected to the street, but its massive murals and vibrant sculptural façade proclaim its influence beyond simple walls and borders. It's like living in a piece of art and turning a landmark into a lifestyle – a place that defines itself on its own terms.

Bold? Certainly! But, also refreshingly geared towards sustainability, wellness, creativity, and unconventional enjoyment.

In this axis of independent thinking, 159 unique residences come together in a new expression of community. Outdoor spaces are part playground part art gallery. Interiors are haute couture meets well-worn denim. Technologies are integrated seamlessly into a connected service and amenities experience.

**"IT'S A CONCEPT OF LIFE. NOW YOU CAN SHOW YOUR PERSONALITY THROUGH YOUR LIVING SPACE."**

**— Renzo Rosso, Founder of DIESEL**

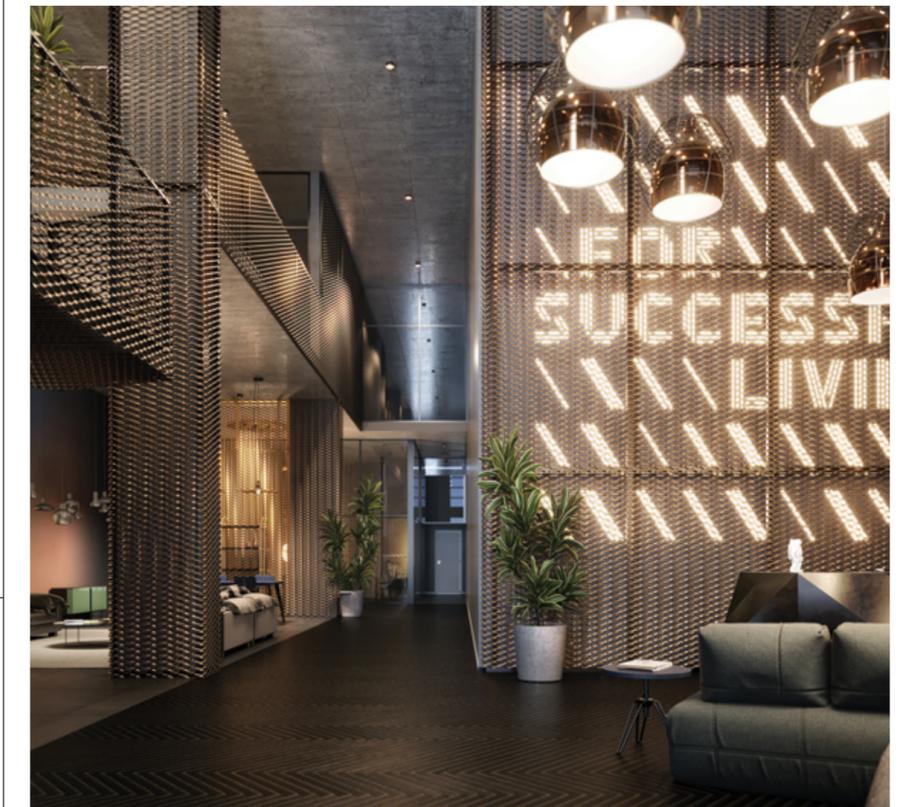

**NEVER BORING. EVER.**
